PRODUCT DESCRIPTION

Rose Bay Willow herb tea is a traditional Slavic tea beverage. The ancient fermentation and drying technology ensures that the end product retains its unique and miraculous properties and the exquisite astringent flavor. Due to fermented granulation Rose Bay Willow herb actually improves its properties when brewed. Uniqueness of Rose Bay Willow herb:

- **Caffeine-free;**
- Soothes and relieves fatigue;
- Nourishes, gives strength and vigor.

Manually picked and processed in keeping with the old recipes!

Rose Bay Willow herb tea does not contain sugar, preservatives or coloring substances.
